

FINISHING SCHOOL PROGRAMME

REPORT 2021-22

Since 2016-17 Government of Gujarat has taken an initiative to enhance life skill, employability skills and communication skills of the students by providing training under Finishing School Programme. Our college was selected as one of the 20 higher education institutions under implementation of this pilot project.

Thus in light of guidelines framed by Knowledge Consortium of Gujarat (KCG), Government Commerce College, Gandhinagar is given the opportunity to be a part of the Government of Gujarat's initiative of "Finishing School Project."

Finishing School Programme Training has 4 components/ SETs each of 20 hours; SET A and SET C (Employability and Life Skill) and SET B and SET D (Functional English and Communication Skills).

It is an Employability Enhancement Initiative of the Education Department, Government of Gujarat for imparting training on Skill development for students of Higher and Technical Education to make them Industry-ready.

For Finishing School, KCG has given list of empanelled experts for the training. Students have been taught grooming, etiquettes, effective presentation, time management, CV Writing, personal interview, group discussion etc.

In current year 2021-22 the college conducted 80 hours of training module for the final year B.COM students in four phases of 20 hours each. A batch of 78 students was registered and have participated in finishing school programme. The training was started from 24/08/2021 and ended on 24/09/2021.

These training sessions provided a platform to the final year students to showcase their inner abilities publically. It helped the students of our college to open up, express themselves, to show their inner abilities lied underneath, remove the fear of public speaking, polish their communication skills and prepared them for the professional world.

The students got to learn new things through well planned theoretical and practical sessions, various activities and management games. Overall, as these training

sessions also helped the students to boost up their confidence level, the students were quite happy to see a positive and constructive change in their personality.

The programme was coordinated by Dr. Dipal Patel, Assistant Professor(Economics) under the guidance of Dr. Amitkumar Sutaria.
